**00:00**

President of Ukraine Volodymyr Zelensky urged citizens not to ignore air raid alerts on May 7-9. At this time, Ukraine expects an increase in the number of attacks by Russia, as May 9 is a sacred date for the aggressor country.

**01:00**

Lisa Chernyshenko, a 15-year-old girl, received shrapnel wounds to her legs as a result of the shelling by Russian troops. Despite the serious injuries, she took herself and four adults out of the fire, driving almost 30 kilometers in a car along a mined road. Lisa tells her story in detail in the [video](#).

**02:00**

In the Bohodukhiv district of the Kharkiv region, the National Museum of Hryhoriy Skovoroda was destroyed as a result of a direct hit by a Russian missile. The shelling took place on the night of May 7. An employee of the museum was injured. The [photo](#) with the consequences of the destruction was [published](#) by the head of the Kharkiv RMA Oleh Synegubov.

**04:00**

Russian troops launched a missile strike on the town of Karlivka in the Poltava region and hit an infrastructure facility. There are no casualties among civilians. Firefighters put out the fire caused by the missile.

**08:00**

Russia's losses in the war against Ukraine exceeded 25,000 dead servicemen. The statistics was reported by the General Staff of the Armed Forces of Ukraine.

**09:00**

According to the National Police of Ukraine, **Russian troops shelled 15 settlements in the Donetsk region** the day before. Mariupol, Siversk, Toretsk, Avdiivka, Marinka, Sviatohirsk, Zalizne, Druzhkivka, New York (ed. - settlement in Ukraine), Pivnichne, Drobyshev, Rai-Oleksandrivka, Yarova, Dronivka, and Svyato-Pokrovske were attacked.

The enemy fired on civilians from aircraft, Grad MRL systems, tanks, and heavy artillery.

**10:00**

Russian troops launched a missile strike on the city of Krasnograd in the Kharkiv region. Tentatively, there are no casualties.

**11:00**

As a result of its investigation, **Amnesty International has gathered evidence of crimes committed by the Russian military against civilians in the Kyiv region.** "We call on the Russian armed forces to stand trial for a number of war crimes committed in the area northwest of Kyiv." the message published by the organization [reads](#).

**12:00**

**UN World Food Program Executive Director David Beasley called for the unblocking of Odesa region's ports** to ensure that Ukrainian food is delivered to those in need. According to him, if this is not done immediately, the Ukrainian agricultural sector will collapse, and the world community will starve.

**13:00**

In the morning, Russian troops launched a missile attack on the lyceum in Konstantynivka, killing two persons.

As a result of the attack, a fire broke out on the territory of the Konstantynivsky Professional Construction Lyceum in the Donetsk region. Nine injured and two dead were found during removal of the rubble.

Emergency and rescue works continue, according to the SESU.

**14:00**

The Russian troops launched four cruise missile attacks on Odesa region, no one was injured, [according](#) to the Odesa RMA.

In addition, residents of Odesa report **explosions**. Air raid alert in the region still persists.

**15:00**

Sumy region was shelled from aircraft.

In the afternoon, the missiles hit the territory of Myropil and Khotyn communities, Dmytro Zhyvytskyi [reports](#). A man was injured as a result of the shelling.

**16:00**

The enemy forces fired six missiles at Odesa from the strategic aircraft, Natalia Humeniuk, head of the Operational Command Soutch press office, [reports](#) to "Suspilne".

Four missiles hit targeted areas, damaging the furniture factory in the residential area.

The other two missiles hit the runway of the airport.

**17:00**

Russian invaders in the occupied territories of Zaporizhzhia region **are implementing filtering measures against local residents**, preventing evacuations to safe regions of Ukraine and looting agricultural enterprises.

For example, in the village of Chernihivka, the invaders **want** to take away land of the local population. The residents are forced to fill out a form by May 8, stating how much land the owners have and how much they rent.

**18:00**

Units of the UAF Air Command South [destroyed](#) one more Russian reconnaissance and strike drone "Forpost".

The attack happened at a time when the enemy drone was trying to collect information on the location of civilian and military infrastructure in southern Ukraine.

This type of drone is an expensive aircraft, valued at more than \$7 million.

**19:00**

The President's order has been executed: all women, children and the elderly have been evacuated from Azovstal. This part of the Mariupol humanitarian operation has been completed.
